

## Needham Education Foundation Donation Form

The Needham Education Foundation (NEF) funds programs within the Needham Public Schools that are beyond normal and expected public funding. We fund leading-edge projects in math and science, languages and the arts, emerging technologies, social and emotional learning, and more. NEF Grants allow teachers, parents, and students to learn, experiment, and explore. Thank you for investing in the future of Needham's students and helping to make learning come alive!
